

DIFFERENT BUT THE SAME

CHORUS

*We're all different, but we are all the same.
We're all different, but we are all the same.
Isn't this the silliest game?
We're all different, but we are all the same.*

*We both have hair, is mine curl?
I think it's in between.
I like blue, and he likes red.
My favourite colour is green.*

CH

*We don't like winter but I love fall.
I like the summer breeze.
We both like pizza, I like mine free!
And mine with sausage please!*

CH

*We both have eyes, but mine are blue.
And mine are kind of brown.
I've got two ears, the same as you.
Yeah, they both are round.*

CH

*We both have feet, but mine are big.
And mine have got ten toes.
We all have things that make us "us"
And that's just how it goes.*

*We're all different, but we are all the same.
We're all different, but we are all the same.
Isn't this the silliest game?
We're all different, but we are all the same X 4*

SAD, BAD, TERRIBLE DAY

Chorus 1: It's sad, bad, terrible day. Things just aren't going my way. It's a sad, bad, terrible day.

Will it end or will it stay?

I fell down and scraped my knee. I made a hole in my new blue jeans. I got a patch and glue and covered it up uh, oh, I got my fingers stuck.

Chorus 2: I'll brush it off from my head to my toes, brush, brush and wiggle my nose.

I'll laugh it off ha, ha, and ho, ho, ho, I'm feeling better now don't you know.

CH1

I sat down on my favorite chair. I didn't see what was sleeping there.

I heard a snarl, a scream and felt a scratch, uh, oh. I sat on my cat.

CH1

Suppertime, I can't wait to eat. I saw the liver and a plate of beets. "No thanks", I said, "I don't like this food." I got grounded for being so rude.

GREEN EYED MONSTER

CHORUS:

*There's a monster, that you can't see
And he pulls and he tugs on you and me
But caring and sharing are his enemies
He's a green eyed monster called jealousy X2*

*When I see something, that belongs to you
Deep inside, I wish I had one too
A feeling so strong comes over me
there's only one thing that it could be...*

CH

*When it's three of us, playing in the park
If there's one left out, it can hurt their heart
just be cool with everybody and you will see
the end of this feeling called jealousy*

CH

*So if you feel that monster hanging round
Caring and sharing is the way I found
To defeat that emotion easily
and the green eyed monster called jealousy.*

CH

THE MORE WE GET TOGETHER

CHORUS

The more we get together,

*Together, together,
The more we get together,
The happier we'll be.
For your friends are my friends,
And my friends are your friends.
The more we get together,
The happier we'll be!*

YOU'VE GOT A FRIEND IN ME

*You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me*

*You've got a friend in me
You've got a friend in me
You've got troubles, and I've got 'em too*

*There isn't anything I wouldn't do for you
We stick together and can see it through
'Cause you've got a friend in me
You've got a friend in me*

*Some other folks might be
A little bit smarter than I am
Bigger and stronger too, maybe
But none of them will ever love you
The way I do, it's me and you, boy
And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me*
